Subs-R-Us

Subs R Us is coming to SSMS! Many DSISD campuses have been using Subs R Us for several years with great success, and we are so glad to start the program here!

Whenever teachers, aides, or coaches have meetings or curriculum planning sessions, volunteers are needed to substitute for one class period.

Subs R Us opportunity is on the Inspiring Volunteers screen when you log in. Please consider providing SSMS this type of support - we need your help!

Thanksgiving

First and foremost, we'd like to say how thankful we are for all of our members! As we head in to this much needed break, we'd like to thank you for all of your support, questions, concerns, participation, and general care for SSMS! Thank you!
