Subs-R-Us

Subs R Us is now at SSMS! Many DSISD campuses have been using Subs R Us for several years with great success, and we are so glad to start the program here! Whenever teachers, aides, or coaches have meetings or curriculum planning sessions, volunteers are needed to substitute for one class period. Subs R Us opportunities are on the Inspiring Volunteers screen when you log in [HERE](#). Please consider providing SSMS this type of support - we'd appreciate your help!
